**School Board Members
Administration, Faculty, Staff
and
Support, Extra-Curricular & Volunteer Personnel**

This list is extended from a list of high school administrators and teachers created in 1989 for the 100th Reunion. There will undoubtedly be errors, omissions, and discrepancies. The Reunion Committee asks that any errors found be brought to our attention so that corrections can be made.

The years listed for employment were taken primarily from PHS Annuals and lists obtained from the Unit Office.. Starting dates will be listed as school year ending date; i.e., if someone started in September 1955, their picture would be in the 1956 Annual which is the beginning date used in the listing.
